Contract Law

Instructor:

Course Requirements:

- In spring and fall we will do about one chapter each week, which is a unit every 3-4 weeks. In summer and spring it is more like 3 chapters in 10-12 days.

- Each test must be taken within 48 hours of the day the last homework for the relevant unit is due.

- You must complete ALL of the assignments in order to pass the class.

- The burden is on the student to show that a paper was submitted on time.

- You will need an ECC library card to use Lexis off-campus. If you had a card last semester, you will have to go to the library and have it re-validated for the new semester. To use Lexis from home, view the tutorial in the announcements on the opening page.

- Although teaching you contract law is the major goal of this course, another major goal is evaluation of your ability to solve problems (broken links, missing webpages) and budget your time. To accomplish this goal, deadlines are strictly enforced.

- There is a 3-point-per-day penalty for late assignments and quizzes.

- Saturdays, Sundays, holidays, and spring break DO count as late days

- There are NO valid excuses, including sickness, death in the family, and computer failure, so play it safe by trying to finish every assignment 3 days early. I STRONGLY URGE YOU TO WORK AHEAD OF DEADLINES TO GET THE MOST OUT OF THIS CLASS.

- YOU MUST PASS THE FINAL EXAM WITH A SCORE OF 70% OR BETTER TO PASS THIS CLASS. If your score on the exam is below 70% you will be given a failing grade regardless of your total points
