

## **College Alliance Reading Sub-Committee Report for Spring 2009**

1. We developed questions parents can ask their children about a book they are reading.
2. We developed a list of books that parents can get for their children that will keep them reading throughout the year.
3. We developed a list of sites for families to visit locally that will help develop students' background knowledge.
4. We met with Alison to talk about distribution of this information, possibly at parent/teacher meetings and other venues.
5. The State Standards match to COMPASS was completed.
