

Reading Team
April 19, 2012

1. Results from the survey.
 - a. Very small results from one district. Julie will follow up with administrators.
 - b. No results from community college instructors. Libby will follow up with deans.
 - c. Found some interesting trends with what instructors expect and possible professional development opportunities.
 - d. Once data is finished being collected, Lisa Wiehle will help us disaggregate and sort it.
 - e. We are hoping we can discuss results during May meeting.
2. Next year's plan
 - a. Discussed changing the "Reading Team" to the "Literacy Team" to attract more instructors.
 - b. We'd like to be more involved with the other teams to help them incorporate literacy into their programs – especially with the new Common Core standards.
