

Radiography Program Admissions Steps and Materials

Admission Steps

All radiography candidates must complete the following steps prior to applying for admission to the radiography program:

1. Attend a radiography information session
2. Submit completed ECC application for admission
3. Submit completed Health Professions application with fee.
4. Register for (includes fee) and take the PSB Health Occupations Aptitude pre-admission test
5. Submit completed admission materials (see below)

Admission Materials

All candidates must submit the following information/documentation in one complete packet by **December 15** for their application to be considered. If **December 15** falls on a weekend, packets are due on the Friday before that date. Late applications will be considered for the next year.

1. **Completed ECC health professions application** and payment of a \$10 nonrefundable fee.
2. **Copy of PSB HOA test scores** (must be a **minimum of 25 percentile in each category**)
3. **Completion of prerequisites BIO 110, MTH 102 (or higher), HPE 112 and PSY 100 with a grade of "C" or better (as shown on college transcript).**
