

College Entrance Placement Tests

Your test scores allow you to enroll into a particular course. You do NOT receive credit for any course based on a placement test. Find your particular test and score on your Testing Summary and where your score falls in the range listed on the chart's below. The next column on the charts below lists the test score along with the course(s) you can place in. Contact academic advising, 847-214-7390, B120, before registering for classes to ensure appropriate course selection. Math placement scores are valid for 2 years, Reading and English placement scores are valid for 5 years. **If using high school cumulative grade point average, calculation must be based on a minimum of six (6) semesters of secondary coursework, excluding summer.**
